

MOBILE POINT OF SALE

Augment Sales, Improve Speed of Service

- Capture sales at point of decision
- Enable peak period line-busting
- Ramp up service during seasonal peaks
- Reclaim premium floor space
- Optimize wireless investment

Location and Speed of Service

“It’s about having the flexibility to conduct a POS transaction anywhere we want, or more accurately where our customers want. It’s about location and speed of service.”

“Reclaiming our floor space during off seasonal times made for a quick ROI. We consider these our secret weapon.”

PowerCart:

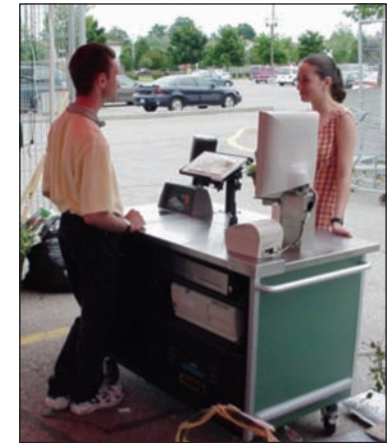

We are the ORIGINAL industry founder with a legendary reputation for reliability and on-time delivery with over 45,000 units sold. We continue to lead the industry in design and innovation, continually working with our clients to achieve greater operational efficiencies and maximizing their ROI.

One cart does not fit all requirements. We offer all our solutions with multiple configurations and power options. All with a bumper-to-bumper one year warranty – the best in the industry.

Ask us about our extended bumper to bumper warranties.

Customers Like Them!

“We want to be where our customers want us to be especially with our event driven sales, people want to get in and out ASAP. The PowerCarts give us the flexibility to complete transactions at the point and time of customer decision.”

“The PowerCarts are a no brainer, they give our store managers the flexibility to drive more sales in peak periods, every new store gets at least one and our customers seem to appreciate our effort to shorten the lines.”
